<https://frugalfun4boys.com/lego-brain-puzzles/>

*This website actually has lots of cool ideas. Don't be put off by the website address the site is actually called frugal fun for boys and girls.*

<https://frugalfun4boys.com/>

*Michelle Obama is doing story time on youtube*

<https://www.youtube.com/pbskids>

*Other authors and illustrator ideas.*

*Week 8*

*You've learnt about code breakers.*

*You could also try making your own secret message by code- You could make a short coded letter and set it to friend. Make sure you give them an alphabet with the corresponding numbers or symbols.*
