THE SUNRISE CURRICULUM

Key Instant Recall Facts

Year 5 – Spring 2

I can identify halves of all 2-digit numbers.

I can identify quarters of some 2-digit numbers.

By the end of this half term, children should know the following facts. The aim is for them to recall these facts **instantly**.

Key Vocabulary
Fraction
Numerator
Denominator
Half
Quarter
Whole
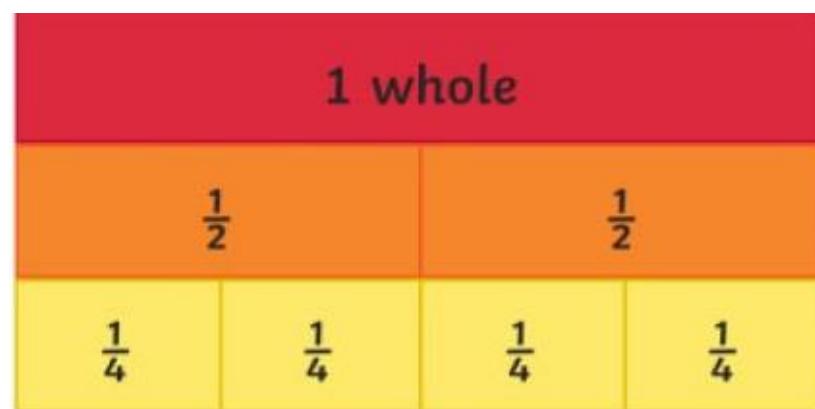

Children should be able to explain how they can use a half to calculate a quarter.

Top Tips

The secret to success is practising **little** and **often**. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You don't need to practise them all at once: perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

Make a set of cards for the numbers from 2 to 20. How quickly can your child identify halves and quarters of these numbers?
