

ST MARY'S C of E SCHOOL

*Don't let anyone look down on you because you are young,
but set an example for the believers in speech, in conduct, in love, in faith and in purity.*

1 Timothy 4:12

St Mary's Church of England Primary School, Truro
Our SEND information report

Date 03/12/19

St Mary's C of E school seeks to provide a learning environment with suitable resources targeted to maximise the aspirations of all children whatever their individual needs subject to the interests of the school as a whole. As a school we have a clear approach to identifying and responding to SEND. We work in partnership with parents to establish the support the child needs. It is particularly important in the early years that there is no delay in making any necessary special educational provision.

SEND Support builds on high quality teaching which has been differentiated and personalised for individual children and should be firmly based in the setting's approach to monitoring the progress and development of all children. SEND Support is designed to provide a graduated approach based on a cycle of action that can be revisited with increasing detail, increasing frequency and with the increased involvement of parents. Throughout the graduated approach, the teacher remains responsible for working with the child on a daily basis and implements agreed interventions. The SENCO supports the teacher and leads and co-ordinates the graduated approach across the setting. We adopt a graduated approach with four stages of action: assess, plan, do and review.

This cycle of action: • Is usually led by the SENCO and the teacher • Parents are engaged throughout • Action is informed by the child's views throughout • The cycle can be revisited in order to identify the best way of securing good progress • Throughout the cycle, children's views can be represented by parents and practitioners, but in order to ensure the child's views inform the process directly, these need to be captured before any discussion. They also inform discussion and decisions at each stage.

11.Services and organisations that we work with:

Service/organisation	What they do in brief	Contact details
Educational Psychologists	Assess and observe children and assist schools in meeting the needs of children on the SEN register for whom our school support and provision needs further input.	Referral through SENDCo to Joe Brooks unless for Statutory Assessment. 01872 323022 There is a telephone advice line (01872 322888) that is open on Wednesdays between 2:00 and 5:00 pm. School Educational Psychologist : Joe Brooks
Social & Emotional Behaviour Support Service Advisors	Observe children, talk to teachers, teaching assistants and parents and provide strategies to improve children's behaviour.	Referral through SENCo to the Social & Emotional Behavioural Support Service- Amanda Lobb. sebss@cornwall.gov.uk
Vision Support	Work with children in school and provide equipment and advice on improving the quality of their education. (All Reception pupils have a vision screening test).	Referral through health visitors/ school nurse/GP or SENCo to Katy Bejon. Sedgemoor Centre, Priory Rd, St Austell. PL25 5AB.
Hearing Support	Work with children in school and provide equipment and advice on improving the quality of their education. (All year one pupils have a hearing test).	Referral through health visitors/ school nurse/GP or SENCo to Harriet Knott. Sedgemoor Centre, Priory Rd, St Austell. PL25 5AB.
Physical Disability Support	Assist school in accessing equipment and developing strategies to improve access to all areas of school life.	Referral through SENCo ICT support: physicalandmedicalneeds@cornwall.gov.uk
Social Care	Children or families can be referred to social care who can offer practical support at home.	Family Information Service Cornwall Council 39 Penwinnick Road St Austell Cornwall PL25 5DR Tel: 0800 587 8191 / 01872 323 535 Email: fis@cornwall.gov.uk
CAMHS	Assess children who have an emotional or mental health need. Liaise with the school and families as to how to best assist these children and families.	Referral through GP, Family Support Worker/ Parent Support Advisor or SENCo childrens.services@cornwall.nhs.uk Care Management Centre Truro Health Park Infirmary Hill Truro TR12JA 01872 221400

Speech and Language Therapists	Assess children to determine their speech and language difficulties. Provide school with targets and strategies for these children.	Referral through health visitors/ school nurse/GP or SENCo to Mel Meadows or Suzanne Lobb. Sedgemoor Centre, Priory Rd, St Austell. PL25 5AB. 01872 323061
Occupational Therapists	Observe and work with children in school to assess their needs in terms of physical development and sensory needs.	Referral through GP, Paediatrician, SENCo
Physiotherapists	Observe and work with children in school to assess their needs in terms of physical development.	Referral through GP, Paediatrician, SENCo
SENDiASS	Information, advice and support for any child or young person and their parents/carers and families age 0-25 with a special educational need or disability.	01736 751921
School Nurse Team	Support given to children and families with health related issues.	Clare Pascoe: 01872 221704
SEN Assessment and Provision Team	Responsible for carrying out Statutory Assessments and maintaining Statements/ EHCPs for children with special educational needs.	01872 322417 3 rd Floor, West Wing (W3), New County Hall, Truro TR1 3AY
Early Help Hub	Children's community health and social care services.	01872 322277 www.cornwall.gov.uk/earlyhelphub

For contact details and information about other organisations follow the link on the Family Information Service website to Cornwall's Local Offer: www.cornwallfisdirectory.org.uk

12.Pupil progress

How you assess and review pupils' progress towards outcomes, including how work with parents and young people?

Pupil progress is regularly assessed by the teachers through observation, marking, conferencing and assessments. Final assessment by testing occurs at the end of the academic year. Pupil profile meetings are held in October, February and July between the teacher, the

assessment co-ordinator and the Headteacher, where every child's progress and attainment is reviewed. Pupils who are identified as not making sufficient progress will have an intervention programme created; tailored to meet their specific needs.

The school has a variety of ways to allow parents/carers and to share their views and concerns. Teachers endeavour to be available at the end of the school day, if parents/carers wish to discuss their child. Alternately, a Home-School link book can be provided. Children with an Individual Educational Plan in place will be invited into school twice a year to discuss their child (with an additional written update in the spring term). In addition, the school holds parent information evenings/consultations 2 times a year.

13. How we know how good our SEND provision is

How you evaluate the effectiveness of provision for pupils with SEND?

The Assess, Plan, Do, Review Cycle:

For children on our Record of Need, an Assess, Plan, Do, Review cycle will be established as part of their regular IEP review meetings in partnership with the child, their parents and the class teacher.

This year, provision made for children on our Record of Need has been:

- ✓ Communication and Interaction
 - Speech and Language referrals, assessments, monitoring and reviews
 - 1:1/Small group SALT intervention.
 - Visual Support Request for Educational, Health and Care Plan Assessment
 - Use of PECS (symbols and pictures) to support communication for non-verbal communicators
 - Use of the Sound Field System to support children with auditory needs

- ✓ Cognition and Learning
 - Daily teacher-led intervention sessions in class, planned specifically for individual needs. These are delivered for all children with additional educational needs, as well as all children in receipt of the Pupil Premium.
 - Additional time allowances for assessments when required for children with additional needs
 - Use of dyslexia friendly resources in the classroom
 - Dyslexia screening tests
 - Referrals to Educational Psychologist
 - Targeted additional adult support
 - Precision Teaching

- Visual Aids Additional
- thinking time
- Individual work stations
- Readers
- Scribes
- KS2 Access Arrangements
- ✓ Social, Emotional and Mental Health
 - Draw and talk counselling sessions, delivered by a trained HLTA (and supported by Educational Psychologist)
 - Lunchtime clubs arranged for children who find lunchtimes a challenge.
 - Social stories for children who require additional support with routine etc
 - 1:1 with Trauma Informed School (TIS) Practitioner
 - Small Group intervention with TA
 - Referral to Penhaligon's Friends
 - Calm/Safe places set up in classes/playground
 - Referrals to Early Help Hub
- ✓ Sensory and/or Physical Needs
 - Daily physiotherapy delivered for children with physical needs
 - Daily FunFit sessions before school
 - Access to sensory resources for sensory breaks
 - Recommended provisions put in place included laptops, writing slopes, use of ICT, suitability for KS2 Access Arrangements.
 - Referrals and assessments were carried out by the Developmental Coordination Disorder Pathway and Occupational Therapist.
 - Sensory aids/equipment provided.

We monitor the quality of this provision by regular observations of classroom practise and intervention sessions. We measure the impact of this provision by monitoring academic progress, as well as development in children's confidence and well-being.

14.If you wish to complain

How you handle complaints about SEND provision?

If you are not happy with the SEND provision at the school, please contact the class teacher or SEND co-ordinator or the Headteacher, to share your concerns.

If you wish to make a complaint about the school, please direct your grievance to the school's chair of governors. A complaint form is available from the school office.

Answers to Frequently asked Questions

1. How does the school assess the progress of pupils and what would they do if my child was falling behind?

Pupil progress is regularly assessed by the teachers through observation, marking, conferencing and assessments. Final assessment by testing occurs at the end of the academic year. Pupil profile meetings are held in October, February and July between the teacher, the assessment co-ordinator and the Headteacher, where every child's progress and attainment is reviewed. Pupils who are identified as not making sufficient progress will have an intervention programme created; tailored to meet their specific needs.

2. How accessible is the school environment?

The school is easily accessible for children with a disability. Ramps have been installed to provide access to all areas. The car park has one space designated for disabled badge holders. Further information is provided in our schools accessibility report, which is on our website.

3. Who is the person responsible for children with SEND?

Every teacher has the responsibility for children with SEND in their class. The SEND co-ordinator is the person responsible in ensuring this support meets the needs of the children and provides support and advice to teachers and parents where required. The SEND Governor liaises with the SEND co-ordinator and monitors the work of the school regarding SEND provision and reports to the full governing body.

5. How do I contact the person responsible for SEND or arrange to meet them?

The SEND co-ordinator can be contacted by telephone or by Email. See the 'Contact Us' tab on the home page of the school's website. Alternatively, visit the school and leave a message with the school's receptionist. A link is provided on the school website.

6. What training or specialist expertise does your staff have around SEND?

School staff have been trained to provide a variety of specialist support. Where a training need is identified and the expertise is not present, the school is committed to ensuring that training gap is addressed. The SENco is accredited by Plymouth University and has been awarded the National Award for Special Educational Needs Co-ordination Post Graduate Certificate.

7. What support can the school provide for children with SEND?

The school will provide a variety of support for children with SEND. This may include 1 to 1 intervention and group work. The school will also access external agencies when appropriate to enhance provision.

8. What further external support can the school access and when would this happen?

The school has access to several external agencies that can provide additional support. Where a need has been identified by the parents and/or by the school, the SEND co-ordinator will seek advice and support from the appropriate agency in order to meet the needs of the child.

9. Who can I contact to provide additional advice and support for my family?

Additional advice may be obtained from the Family Information Service - a link is provided on the school website.

10. How are parents/carers and children with SEND supported to share their views and concerns and work alongside the school?

The school has a variety of ways to allow parents/carers and to share their views and concerns. Teachers endeavour to be available at the end of the school day, if parents/carers wish to discuss their child. Alternately, a Home-School link book can be provided. Children with an Individual Educational Plan in place will be invited into school twice a year to discuss their child (with an additional written update in the spring term). In addition, the school holds parent information evenings/consultations 2 times a year.

11. If I am not happy with the provision at the school, how can I share my concerns or make a complaint?

If you are not happy with the SEND provision at the school, please contact the class teacher or SEND co-ordinator or the Headteacher, to share your concerns. If you wish to make a complaint about the school, please direct your grievance to the school's chair of governors. A complaint form is available from the school office.

12. Where can I find information about the Local Authority's Local Offer for children with SEND and their family?

Information about the Local Authority's Local Offer can be found on the Cornwall Council website. A link is provided on the school website.

13. How can apply for a school place at St Mary's school for my child?

If your child has an Education, Health and Care Plan (EHC Plan) or a Statement of Special Educational Needs, you do not need to complete an application form as a school place will be identified through a separate process. However, if a request has been made for an EHC needs assessment for your child, or your child is currently being assessed to decide whether an EHC Plan is necessary, you will need to make an application using the normal process. Please contact the Statutory SEN Team for more information on 01872 324242 or via email: specialeducation@cornwall.gov.uk.
